MESSAGE FROM THE CHAIRMAN, JAIPURIA GROUP

Our perspective of education is holistic in nature combined with strong values and traditions. The concepts like blended learning, digital learning and activity-based learning have been implemented to enhance the learning outcomes of our children. I firmly believe that all these new initiatives will prepare our children to accept and face the challenges of the changing educational environment with fortitude and aplomb.

SHRI SHISHIR JAIPURIA
Chairman

JAIPURIA PHILOSOPHY

OUR VISION

We aim to nurture happy and confident children by providing child-centric learning. Our endeavour is to promote creativity, environmental sensitivity and academic excellence. We help inculcate a spirit of lifelong learning for our children to be effective change agents.

OUR METHODS

Our highly qualified teachers use most innovative methods to impart child-centric learning. We recognize talent, encourage creativity, and tap into the immense potential of each and every student. We use cutting-edge technology to keep pace with the modern times.

OUR GOALS

Excellence in education is our primary goal. We aim for holistic development of a child's mind, body, and spirit. We educate the mind, train the body, and inculcate values of perseverance, tolerance, optimism, mutual respect, and sensitivity towards the natural environment. We aim to create strong personality.

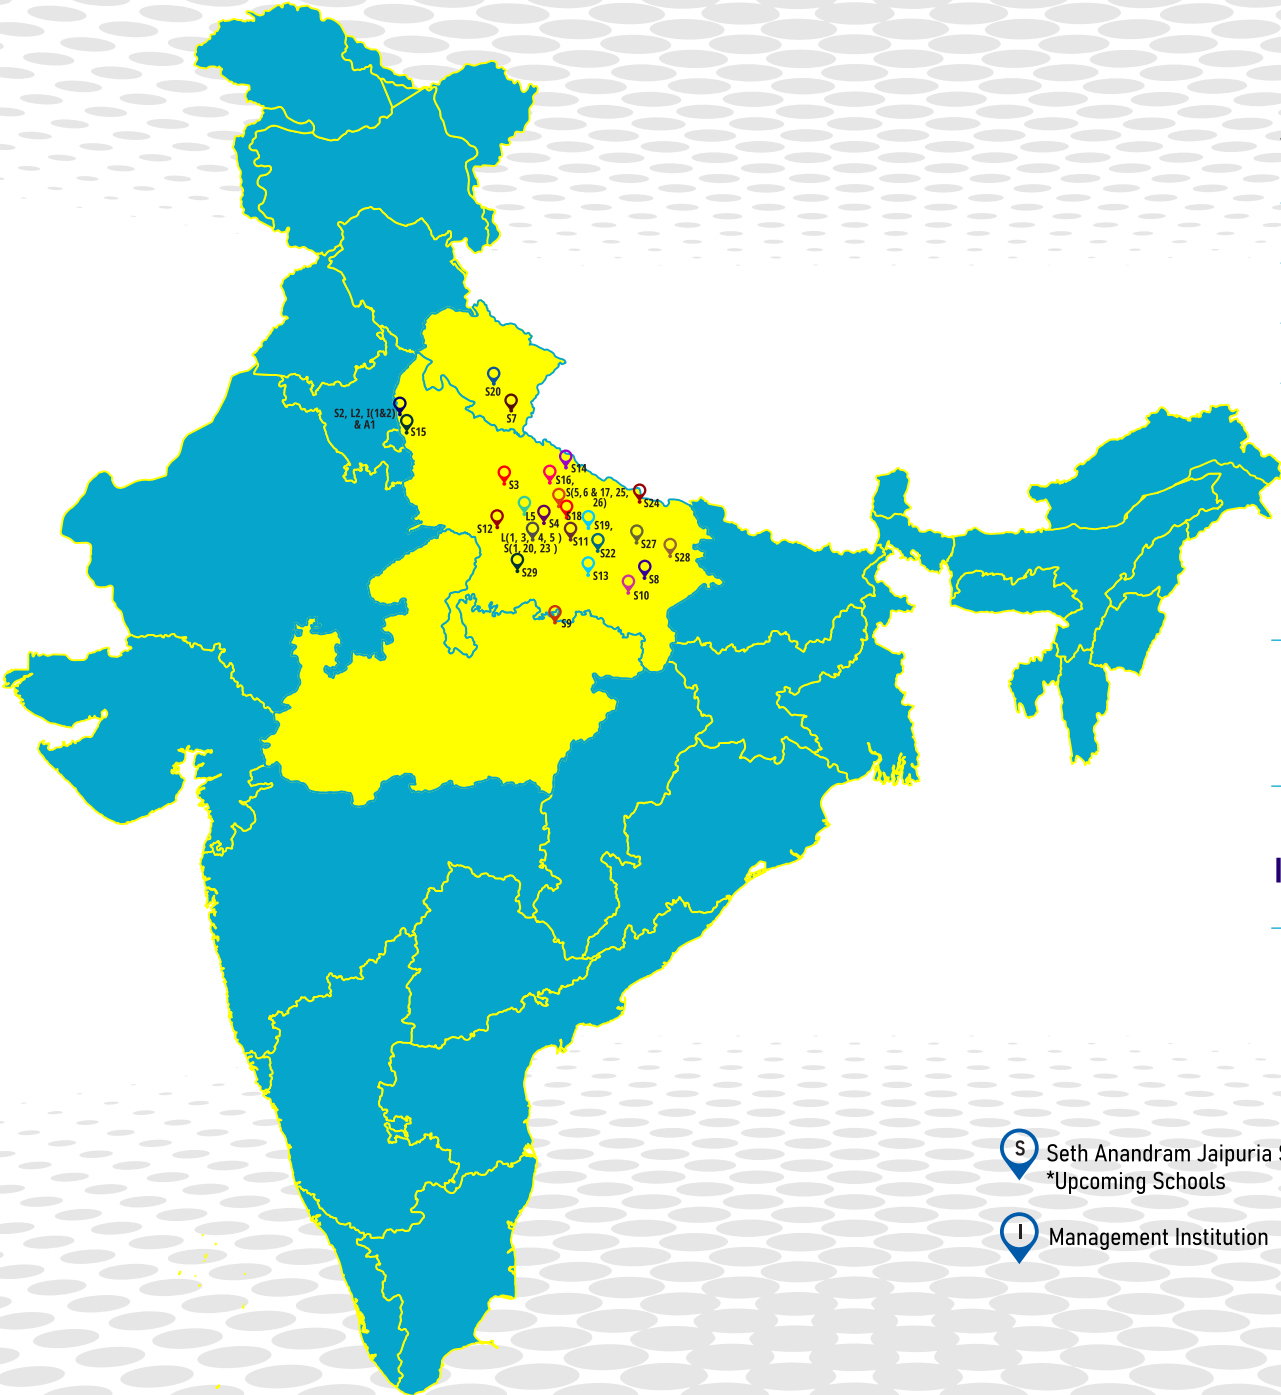

LEGACY OF JAIPURIA

The rich legacy of Seth Anandram Jaipuria Group of Educational Institutions goes back to 1945, when Seth Anandram Jaipuria College was founded in Kolkata and was inaugurated by Pandit Jawaharlal Nehru. Since then, the Jaipuria Group has made giant strides in the field of education. Today, the group has 29 K-12 schools (including upcoming schools), 5 preschools, and 2 management institutions & 1 teacher's training academy in 11 cities with 20000+ students and 15000+ alumni.

ABOUT THE SCHOOL

Seth Anandram Jaipuria School at Mirzapur has a sprawling campus with spacious classrooms and other educational facilities a child needs for an all-round development. The library is well stocked with books on a wide range of subjects. The English Language Lab uses technology to teach correct pronunciation, build vocabulary, and improve English linguistic skills that are so important for a child in today's globalized age. The Math Lab sharpens the analytical mind with practical puzzles and problems of arithmetic, geometry, and algebra. The Science Lab introduces students to the rudiments of chemistry, physics and biology. The Computer Lab keeps a child up to speed with technology and encourages practical application of scientific knowledge. The school has play zones for indoor games, and playground for outdoor sports. There is a big multi-purpose hall for activities like yoga, dance, and gymnastics. Students interested in music can choose from a variety of instruments at the Music Room. Likewise, the Art & Craft room teaches the essentials and fine points of painting, sculpting and origami. The Audio-Visual Room introduces a child to multi-media. The whole campus is scrupulously clean and safe with all necessary hygiene and sanitary measures.

MESSAGE FROM THE CHAIRMAN

Schools are the institutions for transforming aspirations into reality. India's predominantly young population has high aspirations and ambitions to learn, grow and prosper. Much of this population comes from tier 2 cities like Mirzapur where youth is eager to realize their potential and compete with the best in the world. Our school has the vision of providing these young students with the learning ecosystem, new-age pedagogy, technology and a curriculum that focuses on harmonious cognitive, social, emotional and physical development. Ever since its inception, Seth Anandram Jaipuria School has pursued this vision relentlessly and emerged as an institution of eminence in Mirzapur. We aim to make learners future-ready by inculcating in them the 21st century skills, knowledge, and good values.

MESSAGE FROM THE PRINCIPAL

The 21st century is going to be the century of knowledge and competence. Our school was founded with the vision to nurture academic excellence and non-scholastic competence in learners through a multi-disciplinary approach to education. We follow a pedagogy that instills critical thinking, computational thinking and problem solving skills in students. At the same time, we guide the development of strong literacy and numeracy skills. Our school has adequate infrastructure for students to build scientific temperament, digital competence, linguistic proficiency, innovative zeal, sporting brilliance, and artistic creativity. We provide continuous professional development to teachers so that learning can be made more student-centric, experiential and engaging. Through a holistic curriculum, we aim to nurture confident learners who will go on to shape the future of our country and the world.

JAIPURIA CURRICULUM

Seth Anandram Jaipuria School offers a curriculum guided by NCERT along the lines of the National Education Policy 2020. Our curriculum offers multiple components apart from academics. In order to prepare our students for the 21st century, we offer multiple learning and skill development programmes and activities in the curriculum. Our curriculum is full of varied type of projects like the Interdisciplinary project which sharpens the minds and the research skills of the students. Children are empowered to understand numbers better through the Numeracy skill activities embedded in the lessons. Similarly, Literacy skills activities make their vocabulary strong and their grip on language better. Socio-emotional learning activities make them emotionally balanced individuals. In a nutshell, we aim at the overall development of every child since the very beginning of their academic life!

INTER-JAIPURIA FESTIVALS

COMFEST

COMFEST is the centrepiece of Inter-Jaipuria Festivals. An annual event, the festival is a social-cultural-technological extravaganza that tests and celebrates creative expertise, mental aptitude, literary prowess, and technical proficiency of participants. Hundreds of students from national and international schools take part in multiple events at this fest.

COMPUFEST

Fostering Positive Aptitude - Redefining Limits

COMPUFEST is a great platform for all the computer geeks and nerds to show their talent. It's a proud 17-year-old legacy of Seth Anandram Jaipuria Schools. Aimed at pushing the boundaries of Artificial Intelligence learning, the fest invites computer whizz-kids to participate in multitude of events. Each event focusses on different aspects of AI.

RAZZMATAZZ

EMERGING TECHNOLOGIES

Razzmatazz is a festival that fetes creativity in children from pre-primary to grade 12. In its seven editions so far, the festival has seen participation by hundreds of students from dozens of schools across India. Each year's festival has a new theme around which multiple events of performative arts are held and evaluated by dozens of judges.

DR RAJARAM JAIPURIA MEMORIAL DEBATE

Debating skills, logical thinking, critical analysis, and linguistic eloquence come to the fore at Dr. Rajaram Jaipuria Memorial Debate. In five years of its running, the debate has emerged as a notable meeting-of-the-minds event where debaters from several schools compete to put across their points of view.
